Dear Parents,

It is important that we obtain an accurate list of all children qualifying for kindergarten in the Jordan School District for the 2025-2026 school year. If you have a child that will be five years of age on or before September 1, 2025, the child qualifies for next year's kindergarten program. State law requires that all school districts in Utah abide by the same September 1 entrance cut-off date. You will be required, before school starts, to bring the child's immunization record, their original certified birth certificate, proof of residency, and a picture I.D. for the parent. You may upload these documents when you complete the online enrollment.

All new kindergarten registrations will be done online. If you do not have access to a computer at home, please come to the school office. We have one available for you to use. Following are the instructions.

- ❖ Go to jordandistrict.org
- ❖ Find the "Parents and Students tab"
- ❖ Drop down to "Registration & Enrollment"
 - If you already have a student in Jordan School District use the box on the right that says "New Student Enrollment". You will use your current Skyward login and password. If you do not know your login and password please call the school office at 801-567-8950 and we will help you with it.
 - If you are new to the district, use the box on the left to create a "Temporary Account for New Student Enrollment".
- ❖ Be sure to indicate that the enrollment is for the 2025-2026 school year.

Please complete the Online Registration and Enrollment by Friday, January 17, 2025.

Information about Kindergarten Orientation will be sent at a later date.

If you know of a neighbor that has a qualifying kindergarten child, please share this information with them and encourage them to register their child online.

Sincerely,

Angie Hamilton
